# Appel Levels

A place where everyone can share their levels.

#### Info:

- This collection is owned by Armaan Gulati. Max is the other admin.
- If you want to add a level, ctrl + click this forms link below.
- Add Your Appel Level To Our Collection!
- It may take up to two days to put in a level.
- Also, keep in mind that if you haven't verified a level yet, I will first put the level in first and then verify it later on my own time.
- This PowerPoint will be read-only, but you can still see each other's levels and play them if you are in the desktop app. If you are in the browser, then you won't be able to. You can apply to be an admin if you like Send me an email.
- Have fun gaming!

#### Test Your Skills!

This level has all aspects of Appel – invincibility against mobs, killer eyes, invisible blocks, key parkour, deception, chompers, spikes, and more! Let me know if you want a Test Your Skills 2.
